

Edge Profiles

Whether your table is laminate or veneer, select an edge to match.

SE, Self Edge

2MM Bio Edge

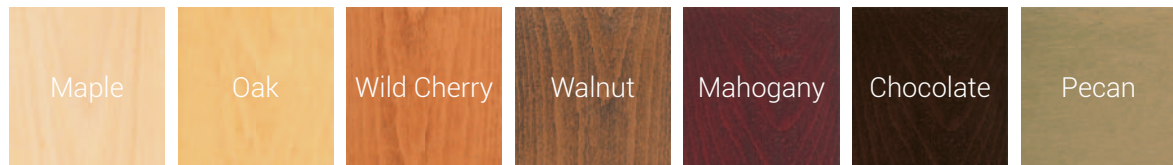

Laminates

Spec's laminate options are virtually endless. Choose from any standard Wilsonart, Nevamar, Formica, Arborite and Pionite laminate. Solid color core laminates are available to provide continuous color, even on the edges.

Standard Veneer Finishes and Self Edge or 2MM PVC Edge Match

Wood Stains

Best Laminate Matches

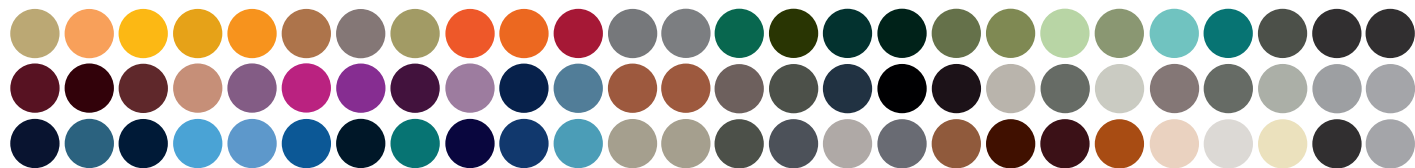

Custom stain-to-match available at no upcharge.

Tops can be specified in veneer or any Wilsonart, Nevamar, Pionite, Formica or Arborite standard laminate. 2mm wood grain PVC edges are available to match our seven standard wood stains.

Metal Finishes

76 Spectone colors from our line of powder epoxy coatings, including five textured finishes. 38 matching 2mm bio-edge finishes are also available.
