

AYR®

On the side of comfort.

The Ayr chair's series of contoured depressions in the seat and back passively flex to improve airflow, enhance circulation and reduce fatigue. Ayr instantly stimulates interaction and collaboration by providing greater comfort.

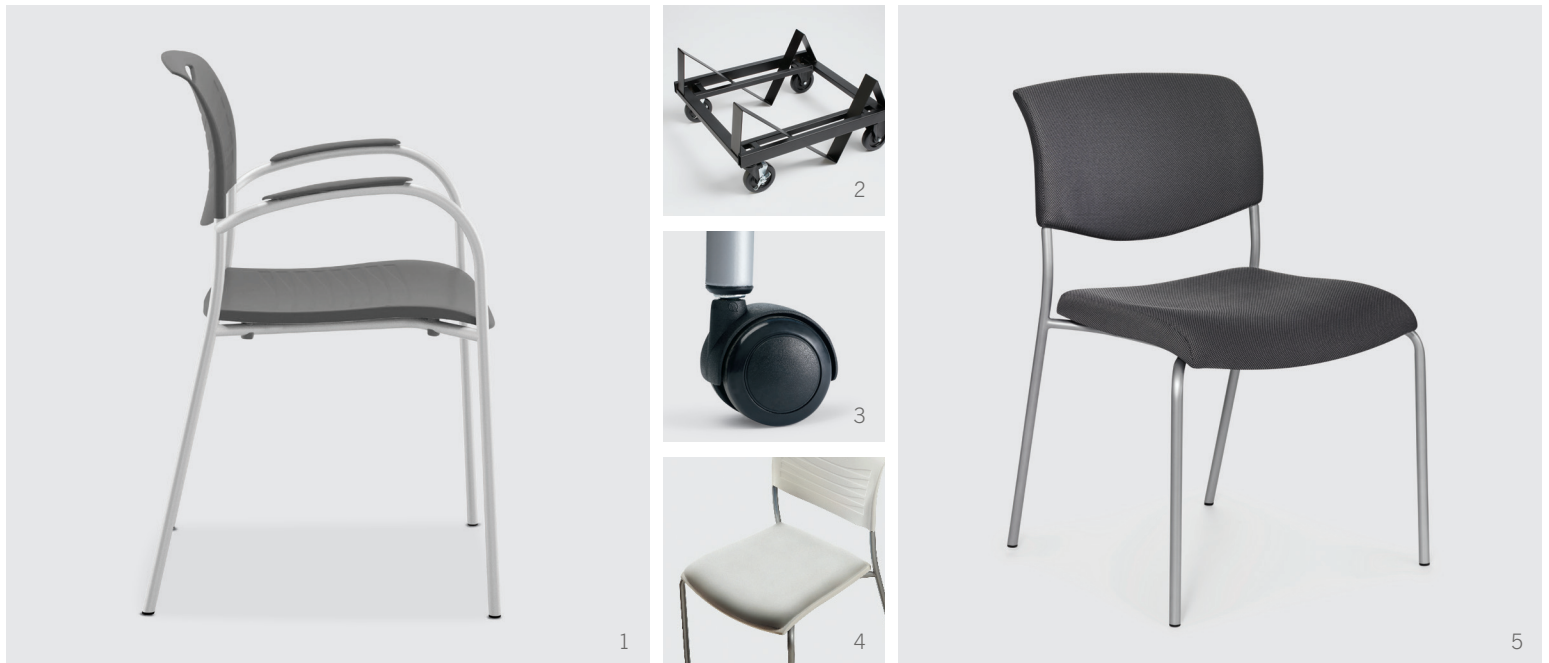

Ayr Poly stacks six high on the floor or 12 on a dolly. A simple handle integrated into the back makes it easy to move Ayr throughout the space to create engaging seating clusters efficiently and effortlessly.

Whether in poly or fully upholstered, Ayr creates a streamlined look for corporate office, training and healthcare environments.
