## DESCRIPTION

Metropolitan '14 is a fully upholstered rotating chair, denoting a flowing design of surfaces with a fully integrated seat cushion. Tailored seams highlight certain crucial areas. The seat's profile, reminiscent of a smile, invites one to sit down and enjoy a moment's rest. The hallmark of Metropolitan '14 is the uniform flow of the seat into the armrests, creating a perfect nest for comfort and relaxation.

## FABRICS & FINISHES

- Upholstery – fabrics available from the Teknion Textiles collection; COM/COL
- Frame finish – Chrome
